*By executing the Application for Building Permit and submitting such to the Town of Westville, I represent that I own the property referenced on this application and that all information contained is true and accurate. Should any information change, I will immediately contact the Town of Westville. I understand that any Contractor/Sub-Contractor working in the Town of Westville must be licensed before a permit will be issued and that failure of the Contractor/Sub-Contractor to obtain a valid license is grounds for immediate work-stoppage.*
