Town of Westville Residents and Business Owners,

We understand the importance of communicating with you and ensuring that we keep you advised regarding events affecting the Town of Westville. As a result, we are pleased to announce that we are initiating a new notification service called REACH Alert.

This new service will allow us to immediately share important information regarding a number of items, including waterline breaks/boil water advisories, road closures due to construction, Town Hall Office closures, water shut-off reminders, and any other relevant alerts.

As good as this service is, if you don't register, we can't share important information with you. You decide if you want a text message, voice call, or an email. Each household can register up to 4 phone numbers and 4 email addresses. All you need to do is:

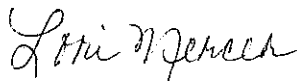

1. Go to www.reachalert.com and click on MY ACCOUNT.
2. Select CREATE ACCOUNT.
3. Follow the prompts and enter your preferred contact information.
4. Network Name: type **Westville** (click on our name when it appears).
5. Select either **Resident** or **Business**
6. Enter your address and click on it when it appears in the drop-down list.
7. Click on the contact info tab to add additional contact information or to edit.

If you opted to receive text alerts, Reach Alert will send a text message to your cell phone immediately upon completion of your registration. Please enter the 4-digit number on the registration screen and then click the word VALIDATE. If you do not receive this message, please call Reach Alert.

If you do not have access to a computer or if you experience any difficulty registering, please contact REACH Alert at (877) 307-9313.

If you don't register, you won't receive our messages.

Thank you

Lori Mercer
Clerk-Treasurer
